#### Parent Contract

I have read the Student Pledge and handbook and am in agreement with the mission statement, guiding principles, code of ethics and regulations of the school and will work with my student to uphold this. I pledge myself to work with the school not only to meet these goals, but to give effective direction to my child's diet, rest and schedule to maximize the educational experience. My financial obligation is clearly understood and I agree to pay my child's account each month, unless I arrange otherwise with the finance committee in advance. As a parent, I understand that I am welcome to volunteer and encouraged to participate in school activities and functions.
